

Charlestown Climate Resiliency Commission

3/13/25 Regular Meeting

- 1) **Call to Order:** 5:02pm (S. Racine)
- 2) **Attendance:** S. Racine, M. Viola, S. Frattini, C. Beasley, C. Fox (5:05), D. Carney
- 3) **Hazard Mitigation Plan Update:** (Weston & Sampson)
- 4) **Approval of Minutes:** Motion to approve 2/13/25 minutes by C. Beasley, 2nd by M. Viola, approved by all.
- 5) **Public Communications:** S. Frattini received an email from Save the Bay to assist with their annual Beach Cleanup and with selecting a date. D. Carney interjected that the Town should continue that support. Keeping in mind that April 19th is the Town's Earth Day cleanup. April 26th is the Charlestown Land Trust Cleanup at Ninigret Park. S. Frattini will follow up.
- 6) **Outreach/Logo Design:** S. Frattini circulated 9 logo submissions (anonymous). The group discussed all 9 and selected 3 to move forward with recommended changes. S. Frattini will provide that feedback to Donna (Chariho teacher) with the expectation that the CCRC will review the changes and make an ultimate selection at the April CCRC meeting.
- 7) **Upcoming April Meeting Agenda:** Presenter (Emily Diamond) requested guidance on what to focus and/or not focus on in her presentation. Commission members prefer to let the presenter impart what she feels is most important.
- 8) **Commissioner Updates:** C. Beasley-Attended Coastal Pond Commission meeting who is heavily focused on the Breachway and recommends CCTC laissez with them. D. Carney serves as Town Council liaison to that Commission as well and will help with coordination. C. Beasley is hopeful that he will be able and allowed to install the first Wildfire Danger sign this weekend.
- 9) **Adjournment:** S. Racine made a motion to adjourn at 6:55pm, 2nd by C. Beasley, approved by all.

Minutes Recorded & Submitted Electronically by C. Fox (Secretary)
