

Charlestown Climate Resiliency Commission

Minutes 11/13/25 Regular Meeting

1. **Call to order:** 5:02 pm (S. Racine)
2. **Roll Call:** S. Racine, S. Frattini, C. Fox, C. Beasley
3. **Presentations:** Jayne Merner (Earth Care Farm) Private Composting 5:04 – 5:30
Isaac Reid & Isaac Bearg (RI Food Council) Municipal Composting 5:30 – 6:40
4. **Approval of October Minutes:** Motion to accept by S. Frattini, 2nd C. Beasley, approved by all.
5. **Public Communications:** S. Frattini has made positive gains to better promote CCRC educational presentations through social media.
6. **Communication/Outreach Opportunities:** Exploration of individual composting outreach/educational opportunities.
7. **Upcoming December Meeting:** Discuss 2026 CCRC action items based on CCRC 2025 topics. Discuss potential for a Town Council “report back process” at the Jan meeting.
8. **Commissioner Updates:** 4 additional dune signs for both the town’s beaches have been approved by Parks & Rec and by CRMC. However, with the repair of the breachway underway, there is a need to request additional signs that S. Frattini will work to get approved. S. Racine attended the State level resiliency meeting and submitted a request to add Charlestown priorities to the statewide list (no response). C. Beasley reports PFAS meeting at URI has been rescheduled to Dec. 3rd, he will try to attend.
9. **Adjournment:** S. Racine made a motion to adjourn at 7:21pm. 2nd by C. Fox, approved by all.

Next meeting is Thursday, December 11th, 2025

Minutes Recorded & Submitted Electronically by C. Fox (Secretary)
