Subject: Draft Comprehensive Plan Review – Services and Facilities Chapter

Dear Ms. Weidman,

Our office has completed its review of the draft Services and Facilities chapter of the Charlestown Comprehensive Plan, the seventh draft chapter that we have had the opportunity to review. The work completed by the Town continues to be excellent and I am very pleased to inform you that there were no issues or concerns that could be an impediment to State approval identified in the material provided.

In this review, we have attempted to identify any issues regarding the material provided, but there are some items, such as requirements related to the plan's internal consistency and completeness, which cannot be evaluated until a full draft is furnished. At the appropriate time, we encourage the Town to provide us with the full final draft for review.

As always, please feel free to contact Kevin Nelson, Supervising Planner with any questions, concerns, or requests that you may have at 222-2093 or at kevin.nelson@doa.ri.gov.

Yours truly,

Meredith E. Brady
Associate Director
