Town Councilors,

I respectfully request that the town council does not approve the current draft of the town's comprehensive plan. In the current state it is not complete in many areas I do not feel it represents the members of this community's needs or wants. This draft needs to be reexamined after the results of the town-wide survey are available. I further request the survey be sent to all residents of Charlestown without delay.

Thank You,  
Patricia Stamps
