Re: Charlestown Comprehensive Plan

Dear Town Councilors,

I respectfully request that the town council does **not** approve the current draft of the town's comprehensive plan. In it's current state it is not factual, it is incomplete in many areas, and I feel it does not represent the needs and desires of the majority of the taxpaying voters of Charlestown. This draft comprehensive plan needs to be reexamined **after the results of the upcoming town-wide survey are available**. I further request that the town wide survey not be delayed any more and be sent to all residents as soon as possible.

Sincerely,

A handwritten signature in black ink, appearing to read "Peter T. Wronski", written over a solid black rectangular redaction box.
