

Charlestown Climate Resiliency Commission

Minutes 12/11/25 Regular Meeting

- 1. Call to order:** 5:03 pm (D. Prescott)
- 2. Roll Call:** D. Prescott, S. Frattini, C. Fox (departed 6:30), C. Beasley, M. Viola
- 3. Approval of November Minutes:** Motion to accept by S. Frattini, 2nd C. Beasley, approved by all.
- 4. Public Communications:** None
- 5. Discussion of 2025 and Pending Action Items:** S. Racine (via D. Prescott): Requests the Commission revisit Drought Recommendations. S. Frattini: Requests the Commission make a concerted effort to urge the Town to address a future public water supply. S. Frattini poses the question as to whether the Commission should continue to learn and educate the Town about composting in 2026. D. Prescott suggests a focus on Town hiring a Resilience staff person. C. Beasley (re: wildfire) advocated for pursuing the development of a fire safety plan for town-owned property. S. Frattini will continue to spearhead dune protection and restoration work on behalf of CCRC in 2026.
- 6. Communications/Outreach Opportunities:** S. Frattini would like CCRC to continue to urge expansion of the Town's digital communication capability.
- 7. January Meeting Agenda:** M. Voila made a motion to approve and S. Frattini 2nds to approve the schedule of meetings circulated by the clerk, approved by all. Planning topics and focus areas for CCRC in 2026.
- 8. Commissioner Updates:** C. Fox & S. Frattini will be unable to attend the January meeting. Discussion of filling 2 open CCRC spots and potential candidates. Applications on the town website. C. Beasley and D. Prescott are working with URI on a PFAS Project for Charlestown. Working on Educational Speakers for 2026.
- 9. Adjournment:** 6:54 pm

Next meeting is Thursday, January 8th, 2026

*Minutes Recorded (S. Frattini 6:30-6:54) & Submitted Electronically by C. Fox
(Secretary)*
