

Charlestown Climate Resiliency Commission

8/11/22 Regular Meeting

TOWN OF CHARLESTOWN

C

5:20 call to order

Attendance: Victoria Gu, Dave Prescott, Sarah Racine

Discussion of TNC/ Community Resilience Building Workshop

- Need to create participant list for next week
 - S. Cooper to notify town council of workshop
 - List of invitees was collected (worksheet attached)
- Proposed date for workshop: Monday, October 3, 2022
- Will be open to public with more than 30 days' notice
- *Pending questions for workshop:*
 - Location: Two proposed locations are the Grange or Kettle Pond

Action items for next meeting: Invite Leah

Update on town council meeting on Resiliency Commission's memo (C. Drummond)

- Town council accepted report and is in support to have cost benefit regarding proposed paving of Charlestown Beach Road
 - Ask for the study to be underway by December 2022. Motivation for December is budget meeting so if can have alternatives priced by then
- *Next steps:*
 - Need to review approved contractors
 - Need to draft RFP (Sarah to work with Steve)

Need to meet with DEM/State to discuss that portion of Charlestown Beach Road. S. Cooper and Deb to connect with commission about meeting time.

Discussion and completion TNC/Community Resilience Building hazard ranking worksheet for the town of Charlestown to be submitted in preparation for workshop.

Adjourn 6:25pm

Minutes Taken by D. Prescott & Submitted Electronically by C. Fox
